DIGITAL WORKFLOW

dpBestflow <http://www.dpbestflow.org/>

dpBestflow is a website about digital best-practices, with first-rate, reliable, information about still photography, video, backups, color-management, data storage, digital asset management, workflow, metadata, editing, delivering image files, and much more.

The site is funded by the Library of Congress and administered and produced by ASMP (The American Society of Media Photographers), and managed by Peter Krogh. dpBestflow is accessible to people at every level of expertise, from beginners on out. You don't even need to register; just go start using it.

COPYRIGHT TUTORIALS (For ASMP members only – log onto website as a member.)

Video Tutorial by attorney Tom Maddrey on registering images on the Copyright Office website:

ASMP > Forms and Tutorials > Copyright.

Webinar by Jeff Sedlik On the new rules for registering images at Copyright Office:

ASMP > New/Blog > Strictly Business Blog > Use Category menu on right > Webinars.
